ONLINE ZODIAC

How the Academic Zodiac was made available? Essentially, the zodiac is online since 1972. It went through its BBS phase in the eighties, swarmed USENET and is present on modern day social networks.

WHY IS IT NOT PRESENT AS FREE SERVICE SUCH AS FACEBOOK APPLET?

For now, you will have to use the free services available but we prefer the original NASA JPL ephemerides. We don't know what Facebook is. We have no idea how they handle Copyright. The zodiac is of course worth 6 777 777 777 Facebooks. We can not post something so expensive on something so cheap, can we? There would be no purpose in doing so without lengthy legal procedures. Once the data are online, there is no telling who may resample them for one's own use. The material is digitally protected copyright.

ARE THERE LIMITS TO ZODIACAL AVAILABILITY?

Many! The zodiac is a rare initiation. In the recent past, only certain selected occult nobility was allowed to take a vow. Historical limits abound as many of the features were

not even available at any price at all! The world knew no zodiac and had no zodiac. Zodiacal License gets rarely issued and that only for those found worthy of higher initiation. One is not allowed to peruse the zodiac without a due license. Of course, one can not use it at all without due and expensive training. At present, the zodiac is vanishing from the web due to a deadline. Thousands of publications will expire by mid October 2011, never to be republished again.

WHY THE SECRECY?

The zodiac is no freeware. Truth has many enemies. In the past, pseudo-scientists have harassed and robbed other scientists. Tesla and Cruto are often rendered as examples as victimized by unscrupulous people. The public does not know to whom they owe the electric bulb, much as selfish industry was strongly reluctant as concern wireless energy transport. Our strong sympathies for Cruto and Tesla set us on the defensive side. The zodiac is Italian. This simple fact may stir envy in other races. The Chinese are viewed with sympathy which may offend e.g. the Japanese. There is every reason for caution. You don't want the zodiac to fall into the wrong hands, do you? Oh, but you do. It won't.

CAN ONE APPROACH IT?

Generally, a 500 € donation is viewed as gesture of good will that will suffice RTRRT initiation plus horoscope. http://users.tmok.com/~tarant8l/paypal/RTRRT_VIP_paypal.html

Read about it till October 14th 2011 when the revealing publications are alas scheduled for timely self-destruction. You don't want the strategic zodiacal as well as magical material to fall into the wrong hands, do you now?
