## ÆON OF CETUS

In reintroducing the Original Zodiac, Hayagriva was completely aware of its implications. The Eternal Zodiac has the power of exorcising the planetary Devil.

- a) Order means having the right thing at their right places.
- b) In the case of the zodiac, it means having the right stars in the right constellations.
- c) A superfluous note as concern astronomy, but vital as concern astrology.
- d) “Astrologers” never had the right stars in their right place at all.
- e) The IAU system nicely covers for traditional constellation borders.
- f) Now that we have regained our stellar legacy, we can start reckoning.
- g) Fortunately, the zodiac is already defined.
- h) It took minutes to determine the zodiac, but it would take æons for “humanity” to settle for the astronomic sky. That the man in the street has an instinctive hate towards the skies is either the work of the Devil, or hate towards gods who make life so hard for people. Hate towards real stellar authority makes for adoration of faux authority – usurpers cash on shuffled stellar cards.
- i) The poor Devil is merely an inorganic scout, stranger to solar system dynamics. Its victims and followers of course have no idea of their own natal skies. That their own confusion is total does not exempt them from lecturing the rest into their own confusion. “I am this in eastern and that in western.” You will hear, while the poor bastard does not even know that he is neither and never will be any of the two.
- j) A default yin-yang gambit has it that swindle on both sides hardly make a right.
- k) That humanity never had any zodiac proper should be rather clear by now. Merely adopting approximate models of the zodiac is not zodiac proper, it is amassing confusing drafts. It is the implications that the Devil fears. All superstition is based

on faux zodiacs, from alleged Masonry to national heraldry. In one way or another, the feeble bases of one's own persona are based on false zodiacs.

- l) Once the zodiac is established, the mind of the world cracks down to what it ever was: nothing. The Devil is expelled according to global exorcism. People do not walk around wearing false personalities. A new heaven appears.

## WITCHALLOW

As new skies barely make appearance, it's not as yet really known what *new heavens* **are** about. Traces of what we *do* know are to be found within the large body of *Dark Flux – Axis of Evil* material. The deadline - *expiry* for said purchase is October 15<sup>th</sup> 2011. This deadline is **final** as concern multimedia files. The publications will most certainly *never* be republished. At best, within an accident of luck – they will be made fairly available *on special request* and understandably **considerable additional cost** from RTRRT Masters and initiates. Providing timely expiry, a comparatively modest *Complete Works* \$ 10000 republication – recession exempt - could thus reach half a million of Euros worth by year 2017, **zodiacal information worth its weight in gold.**

## PUBLICATIONS AND SITE URL DEADLINE

<http://www.lulu.com/spotlight/astrology>

The cetacean<sup>i</sup> years 2011 & 2012 do mark interesting times, indeed. At present, the zodiac is partly vanishing from the web due to a timed deadline. Thousands of publications will expire by mid October 2011, never to be republished again. Make your download till October 14<sup>th</sup> 2011 when the revealing publications are alas scheduled for timely self-destruction. You don't want the strategic zodiacal as well as magical material to fall into wrong hands, do you now?

---

<sup>i</sup> 2011- Jupiter and most planets in Cetus. 2012 - Uranus in Cetus. We live in the Æon of Cetus; Age of Pegasus.
