NATIONAL AND PERSONAL IDENTITY

Whether in deliberately **not attending** to observation or from indifference to any starry skies, false Santa Clauses have entered a **distorted natal sky** into your basic psychological program: your **identity**. Your identity is what you peruse for/as **yourself** in daily exchange, in relation to national symbols and as ultimate resort in crisis. This very personal *and national* identity has been largely **mangled** by corrupt and incompetent people. Neither personal identity nor **national heraldry** correspond to any real sky at all.

- a) So you support law and democracy.
- b) You swear on the Bible.
- c) The Bible states that Earth is a globe.
- d) You don't believe in flat Earth at all.
- e) You stand for people's will.
- f) Is NASA people's will?
- g) Would you stand for NASA, even if *not* American?
- h) Isn't NASA national agency?
- i) Does NASA express the will of the people?
- j) Or does someone or *something* else cloud the will of the people?
- k) Doe someone cheat upon people?
- l) Did someone cheat upon you?
- m) Did they impose faux personality upon your children?
- n) Would you call imposing of a false personality a **crime**?
- o) Would you **denounce** such a crime to UNICEF?

- p) You don't believe in flat Earth at all.
- q) Yet you uphold superstition?
- r) Yet you believe in fixed Sun?
- s) Yet you fancy twelve ascendants?
- t) Do you know that superstition had the best of you?
- u) Did you *know* that you missed your guardian angel?
- v) Is superstition worth losing one's guardian angel?
- w) Would you settle for anything less than your true natal skies?
- x) Would you uphold true natal skies for all?
- y) Do you know that **sixteen** constellations rise at east?
- z) Did you know that you can **observe** your *guardian angel* with naked eye?

PUBLICATIONS AND SITE URL DEADLINE

<http://www.lulu.com/spotlight/astrology>

The cetaceanⁱ years 2011 & 2012 do mark interesting times, indeed. At present, the zodiac is partly vanishing from the web due to a timed deadline. Thousands of publications will expire by mid October 2011, never to be republished again. Make your download till October 14th 2011 when the revealing publications are alas scheduled for timely self-destruction. You don't want the strategic zodiacal as well as magical material to fall into wrong hands, do you now?

WITCHALLOW

As new skies barely make appearance, it's not as yet really known what *new heavens are* about. Traces of what we *do* know are to be found within the large body of *Dark Flux – Axis of Evil* material. The deadline - *expiry* for said purchase is October 15th 2011. This deadline is **final** as concern multimedia files. The publications will most certainly *never* be republished. At best, within an accident of luck – they will be made fairly available *on special request* and understandably **considerable additional cost** from RTRRT Masters and initiates. Providing timely expiry, a comparatively modest *Complete Works* \$ 10000 republication – recession exempt - could thus reach half a million of Euros worth by year 2017, **zodiacal information worth its weight in gold.**

ⁱ 2011- Jupiter and most planets in Cetus. 2012 - Uranus in Cetus. We live in the Æon of Cetus; Age of Pegasus.
